

6.3. Lista publicațiilor

VI - Volumele unor manifestări științifice internaționale recunoscute, organizate în țară și străinătate;

2024

Popeanga, D.C, Mocanu, M. I., Boicea, A, Radulescu, F., Ciolofan, S.N., "A Case Study on DBMS Stability Performance Evaluation", Buletin Stiintific - UNSTPB, acceptat spre publicare septembrie 2024

Popeanga, D.C., Boicea, A., Al Haddad, Y., "Subtractive Mountain Algorithm for Data Processing", Journal of Control Engineering and Applied Informatics, Vol 26, No 3 (2024), ISSN 1454-8658, DOI: 10.61416/ceai.v26i3.9206, 2024

2023

Ciolofan, N, S, Popeanga, D.C., Dragoicea, M., "Enhanced cyberphysical system with semantic technologies and machine learning to support smart farming" , 2023 24th International Conference on Control Systems and Computer Science (CSCS24), DOI: [10.1109/CSCS59211.2023.00018](https://doi.org/10.1109/CSCS59211.2023.00018), 2023

2021

Radulescu, I.-M.; Boicea, A.; Rădulescu, F.; Popeangă, D.-C. "A Lagrangian Backward Air Parcel Trajectories Clustering Framework". Water 2021, 13, 3638. <https://doi.org/10.3390/w13243638>, 2021

2020

Popeanga, D.C, Boicea, A., Radulescu, F., Radulescu, Iulia Maria, Petrescu, Mircea Stelian, "C-SGBD – A Procedure for DBMS Performance Stability Evaluation" Proceedings of the 36th International Business Information Management Association (IBIMA), ISBN: 978-0-9998551-5-7, 4-5 November 2020, Granada, Spain.

Radulescu, I.M., Truica, C. O, Apostol, E., S., Boicea,A., Mocanu, M., I., Popeanga, D., C., Radulescu, F., "Density-based Text Clustering using Document Embeddings", Proceedings of the 36th International Business Information Management Association (IBIMA), ISBN: 978-0-9998551-5-7, 4-5 November 2020, Granada, Spain.

2019

Boicea, A., Truica, C. O., Radulescu, F., Popeanga, D. C., Radulescu, I. M., Costea, C., "Cryptographic algorithms benchmarking: a case study", 34th IBIMA Conference, pp. xx-xx, ISBN: 978-0-9998551-3-3, Madrid, Spania, nov-2019, WOS: 000556337402056

2007

Boicea, A., Ungureanu, D., Popeanga, D.C., "Optimizing the execution time of procedures stored on an Oracle Server", SACCS, 9th International Symposium on Automatic Control and Computer Science, Iasi, 2007

2003

Petrescu, M.S., Popeangă, D.C., “Relation between Query Optimisation and Execution Plan in Relational Databases,”, CSCS-14 - 14th International Conference on Control Systems and Computer Science, 2-5 iulie 2003, ISBN 973-8449-18-9, pag 467-471

2001

Petrescu, M. S., Popeangă, D.C., Vasilescu, R., “The TPC-C Database Performance Benchmarking System. Analysis and Experiments”, CSCS-13, 13th International Conference on Control Systems and Computer Science, 31 mai-2 iunie 2001, pag. 462-467

2000

Petrescu, M. S., Popeangă, D.C., Vasilescu, R., “Performance Evaluation in Databases – Analysis and Experiments”, Buletinul Științific al Universității POLITEHNICA din Timișoara, seria Automatică și Calculatoare, vol 45, 2000, ISSN 1224-600X, pag. 153-158
